

## October is Bullying Awareness Month

### Think before you post!

- Filter all posts against the most conservative person you know (if Grandma wouldn't want you to post this, then don't!)
- Try the ReThink App (this app filters for phrases and when content is questionable, it gives the user a pop-up "are you sure you want to do that?" ...a chance to rethink before they post)

Most kids have been on the receiving end of hateful comments and messages online and it feels really bad, but what about the kids who are dishing it out? Have you ever considered that your child might be one of them? We've all heard that the reasoning and judgment center of the brain isn't fully developed until the mid-20s, so it's no surprise that our kids tend to post bad things without thinking about the consequences.

The Awkward Conversations are the Ones You Don't Have... Start Talking Today!

# ONE JOHNS CREEK

REDUCING YOUTH DRUG USE & PROMOTING COMMUNITY WELLNESS

OCTOBER 16, 2023  
NEWSLETTER

Please take our survey.

As a city of Health, Wellness, and Innovation, Johns Creek seeks to assist OJC in supporting a drug-free community and promoting a thriving culture of community wellness. The survey responses will help OJC with planning and student-led activities in the community.

**Prescription Drug and  
Alcohol Misuse  
Community Survey**

One Johns Creek is excited to partner with the City of Johns Creek to promote the Alcohol and Prescription Drug Misuse Community Survey.
